## *Welcome to Fort Langley Golf Course*

*N*estled on the banks of the Fraser and Salmon rivers, Fort Langley Golf Course is a hidden gem in a country setting. Championship golf can be played from our blue tees measuring 6400 yards. With tight tree lined fairways, numerous sand bunkers, ponds, and smooth undulating greens, every club in your bag will be tested.

*O*ur signature hole, #16, is a daunting test of accurate shot making. A drive of 240 yards is required to a tight landing area. From there a precise mid - long iron shot will set up your approach. An elevated green awaits a well struck short iron, which will give you an excellent birdie chance. Warning! Do not leave the approach short, as the possibility of your ball rolling back down the steep incline is possible.

*O*nce you have made your last putt, our beautiful southern style clubhouse beckons. The *Derby Links Restaurant*, open 7 days a week for breakfast, lunch, or dinner seats 75 comfortably in a warm, inviting setting complete with fireplace and large screen television. Perched directly behind the 18<sup>th</sup> green, our patio accommodates 85 people and provides wonderful site lines of the 1<sup>st</sup> tee and the closing hole.

*F*ort Langley Golf Course also offers banquet facilities for up to 250 guests year-round. Whether you are stopping in for a cold beverage and snack after the round, sitting down to a banquet dinner, or enjoying a great meal from our extensive menu, our Executive Chef and his superb staff will make your stay a memorable one.

*W*E would like to thank you for considering *The Fort Langley Golf Course* for your event. Our goal is to make certain your event is successful, and enjoyed by all your guests.

# Tournament Policies

## Organizers:

*It is our goal to provide you with a successful and fun-filled event. Should you have any questions regarding these policies, or anything else regarding your event, please let us know.*

- Please ensure all your players check in 30 minutes prior to their scheduled tee time. For shotgun tournaments, players should check in a minimum of 45 minutes prior to start time.*
- **Absolutely** no alcoholic beverages other than those purchased from the clubhouse, the halfway turn snack shop, or the beverage cart will be permitted. This policy will be strictly enforced, and violators will be asked to relinquish their beverages (to be picked up after the round is completed) or have their playing privileges revoked immediately. There will be no exceptions. Please ensure all players understand, and respect this policy.*

### *Pace of Play Policy: Four and one-half hours.*

All putting contests are to be held on the practice green after your groups have completed eighteen holes.*
